## **Environmental Policies:**

At Ausway Transport, we ensure that environment preservation is part of our top priorities;

To achieve such goals, we as a company will:

- Have utmost awareness of our impact on the environment through our transport means,
- Work together to minimise harm done to the environment
- Ensure conformity with all environmental regulations, by all employees
- Minimise empty running kilometres and waste production
- Endorse efficient and safe waste disposal
- Work to reduce energy and fuel consumption

•  
Ensure efficient vehicle operation in order to assist the reduction of harm caused to the environment primarily through carbon emissions
